Reporting & proof of play

- Every campaign receives a proof of play.
- Up to CHF 25'000 booking value: system-generated playout report.
- From CHF 25'000: additionally with a photo proof taken at the screen.
- Bookings by time slot or budget (automatic slot allocation): proof as a mock-up.

Targeting & conditions

- Bookable across the entire network, by canton or region — down to individual sites, or targeted by type (e.g. only filling-station shops or only supermarkets).
- Attractive discount tiers.
- Special conditions for ZEWO-certified organisations.

What may not be advertised

- Politics & armed forces
- Competitors / direct competition
- Erotica & pornography

The network operators reserve the right to amend this list as circumstances require.
